No.201/105,Sriphanich
Road,Htong Htaung, Amphoe
Mae Sot, Tak, Thailand 63110.

PROFILE SUMMARY

I am passionate about caring for the environment and addressing agriculture challenges. My interest in Environmental Science is driven by a practical approach, optimism, and compassion for the community. I am also highly adaptable, allowing me to navigate diverse environmental issues effectively. These qualities inspire me to pursue a degree in environmental science.
